

The Alaska Wildfire Explorer tool: A Berry Picking Story

LET'S SEE...
BASKETS, LIFE
JACKETS, BEAR
SPRAY--

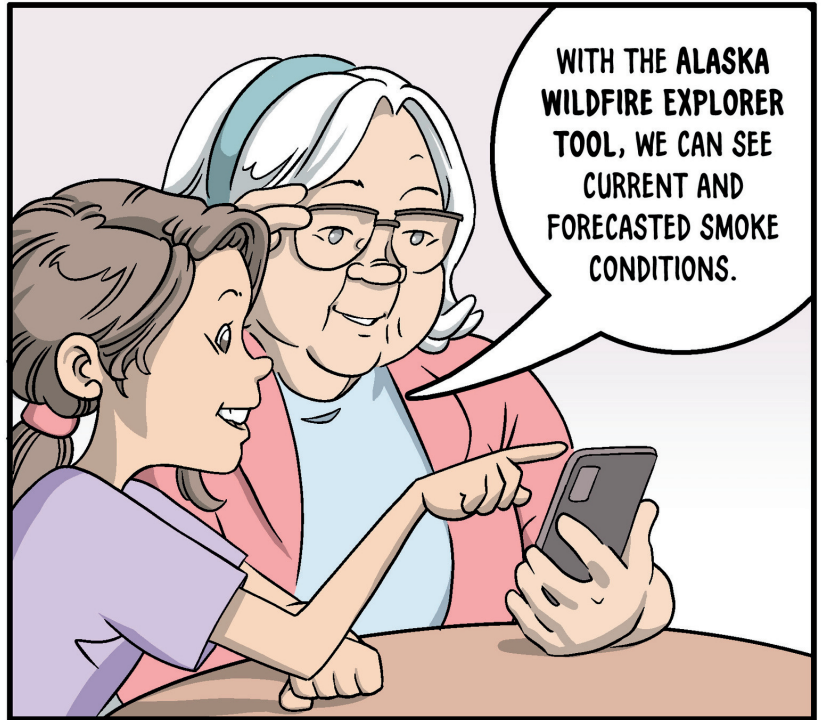

YEP,
WE'RE ALL
SET FOR BERRY
PICKING!

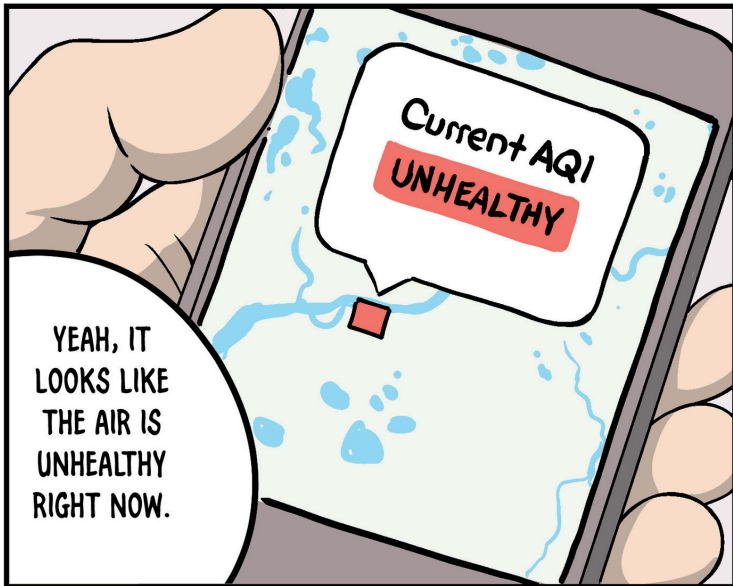

ARE YOU
READY TO GO,
DEAR?

IT'S LOOKING
PRETTY SMOKY OUT
THERE, GRANDMA.
MAYBE WE SHOULD
CHECK THE AIR
QUALITY INDEX
(AQI).

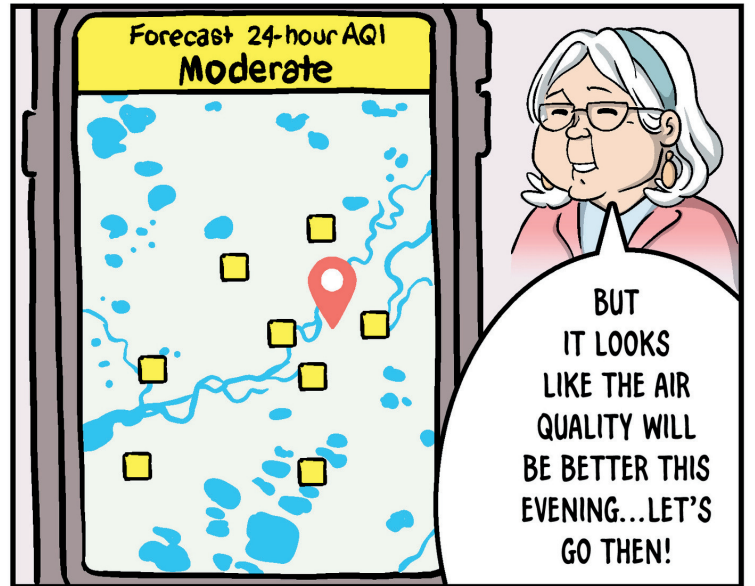

HOW?

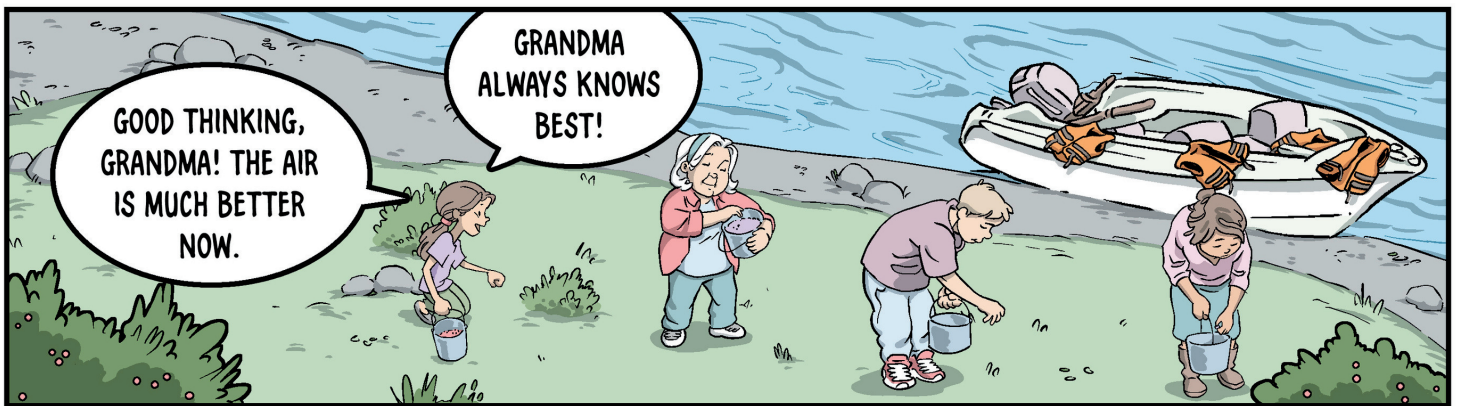

WITH THE ALASKA
WILDFIRE EXPLORER
TOOL, WE CAN SEE
CURRENT AND
FORECASTED SMOKE
CONDITIONS.

YEAH, IT
LOOKS LIKE
THE AIR IS
UNHEALTHY
RIGHT NOW.

BUT
IT LOOKS
LIKE THE AIR
QUALITY WILL
BE BETTER THIS
EVENING... LET'S
GO THEN!

GOOD THINKING,
GRANDMA! THE AIR
IS MUCH BETTER
NOW.

GRANDMA
ALWAYS KNOWS
BEST!
